April 27 - May 1, 2020

**To Be Graded- Assignments are submitted electronically, except by individual arrangement.**

*Assignment for students to submit:*

**1. Lesson One:**

The students will click on the blue hyperlink "Box Plots Lesson 1 Graded Assignment". **The teacher will have access to each student's scores, and there will be no further submission needed by the student once the quiz is completed.** All questions on the form are required to be answered before submission. **Students may use their notes to help them complete the assignment.**

**2. Lesson 2:**

The students will go to "Quizizz.com" and enter the game code given. The students will be graded on the average of their first two completions. If a grade of 100 is earned on the first attempt, the student does not have to do it again. **The teacher will have access to each student's score and there will be no further submission needed by the student once the quiz is completed. The student must put their first and last name- no nicknames. Students may use their notes to help them complete the assignment.**
