

La Porte J H – Technology Applications - Outreach Learning

April 13 – 17, 2020

8th grade Technology Applications Week of *Wednesday, April 15, 2020.*

Teacher: Mr. Gary So

sog@lpisd.org

(281) 417-8855

Feel free to contact me by e-mail or phone with any questions.

Previous Lessons:

Last week we moved into the PowerPoint unit. We created a Photo Album and applied transitions to our slideshow. We also worked with graphics and text elements.

Objectives

Objective:

I Can:

- Understand the importance of reviewing and editing in order to create a polished and effective slide show presentation.
- Use existing themes or create a new theme to ensure consistency in the visual design of the presentation.
- Adjust and resize graphic elements on a slide.
- Adjust and change text and color elements in slide show presentation software.
- Use slide show previews and other presentation views to evaluate work progress and edit final product.
- Add and effectively use transitions and animations in a slide show.

Activities

Go to **Teams**. Daily work will be grouped into single assignments in Teams with the date as the title (ex: Wednesday, March 25 Activities).

Wednesday, April 15
