Power Point Reflection Instructions

Hey Kids!

I thought it would be fun to share some end of year thoughts with each other, so I created this power point assignment for the last grade of the year.

La Porte Junior High 7th Grade ELA Outreach Learning
May 18-22, 2020

Here is what we'll do: Each person will send me ONE power point slide with the info listed below. Then, I will put them all in to one power point and send it to everyone in our class.

Here are the things to include on your slide:

Your name, obviously

Your picture (optional - silly/goofy is fine – school appropriate, obviously)

A colorful background – no white space

Your goodbye to your classmates (also school appropriate, obviously)

A comment about this year (also school appropriate, obviously)

Absolutely NO making fun of the coronavirus or our current situation. It's just not cool.
